People. Passion. Performance

Over 100 Years of Experience

Since 1901 the Chicago Pneumatic name has represented high-performance tools and equipment designed for an extensive range of applications. Today, Chicago Pneumatic has a global reach, with local customer centers around the world. Chicago Pneumatic tools and air compressors are tailored to the needs of the industrial, vehicle service, and construction markets. Every day we develop and manufacture new products that are meant to meet your demands not only today, but tomorrow as well.

The Red Rock CPS 110 Compressor

The CPS 110 Red Rock air compressor is the latest and toughest edition to the Chicago Pneumatic portfolio. When it comes to this size of air compressor, we know what you are looking for: Portable, Powerful and Tough.

Portable: Lightweight and easy to transport.

Powerful: Power two breakers with effortless ease.

Tough: The Red Rock canopy is made from extra tough polyethylene, protecting the working parts and ensuring your compressor looks and performs to its maximum, day in and day out.
